PERTANDINGAN MEMASAK GLOBAL KE-4

4th GLOBAL CULINARY CHALLENGE MALAYSIA

第四届马来西亚环球 厨艺挑战赛

1 - 3 July 2025
MITEC, Kuala Lumpur

Featured Events

Malaysia's First Ever Chocolate Show

Experience Malaysia's first ever chocolate showcase, exclusively curated in collaboration with the renowned Salon du Chocolat from Paris bringing world class chocolatiers, artisanal creations, and international chocolate trends to one extraordinary platform. This exclusive feature brings together local and international chocolatiers, offering insights into trends, innovations, and premium products shaping the global chocolate market.

Live Culinary Competition

Witness culinary excellence in action at the 4th edition of the Global Culinary Challenge Malaysia (GCCM), held in collaboration with FDM2025. This dynamic competition will feature over 1,000 top chefs and emerging talents from around the world, showcasing innovative techniques and world class gastronomic creativity. It is an unmissable opportunity for professionals seeking to benchmark against global culinary standards.

SIAL Innovation Awards

Be at the forefront of food industry innovation with the prestigious SIAL Innovation Awards, an internationally recognized platform that celebrates breakthrough products shaping the future of food. Curated by a panel of global experts, the awards spotlight cutting edge solutions in taste, health, sustainability, and convenience. Attendees will have exclusive access to the Innovation Showcase, featuring trendsetting products from around the world, offering invaluable insights into evolving consumer preferences and emerging market opportunities.

FDM2025 Halal Forum – 2nd Edition

Gain valuable insights into one of the most dynamic and rapidly expanding sectors in the global food industry. As consumer demand for Halal certified products continues to rise driven by both faith based and ethical consumption preferences FDM2025 provides a dedicated platform to explore the latest trends, innovations, and business opportunities in the Halal market. This forum offers in depth knowledge and market intelligence for businesses looking to stay competitive and meet the evolving expectations of a diverse and global Halal consumer base.

Hear From The Industry Leaders & Participants At FDM2025!

"GPR Food is set to launch a comprehensive range of chocolates, crackers, coffee beans, and teas, further expanding its diverse product offerings. A key focus for the brand is its innovative, multi-purpose packaging, designed not only for practicality but also for visual appeal."

"At FDM, we're bringing a wide variety of Korean foods, health and traditional foods. This includes kimchi, gochujang, ginseng, and other traditional health products. I promise that it's going to be a really fun and tasty experience! We are excited to celebrate this special milestone with everyone during FDM2025."

Malaysian Pineapple Industry Board

"We don't just grow pineapples, we grow opportunities. Our goal is to equip farmers with the tools to succeed, now and for generations to come. A key reason for our enthusiastic participation in FDM2025 is the opportunity to showcase these homegrown products on a global stage, bringing greater visibility to Malaysia's vibrant agropreneur community."

"We're very glad to return to FDM for the second year consecutively. The reason being is because of the exposure and engagement we experienced last year were very valuable in terms of industry insights and business connections. We strongly believe FDM will help us as a platform to showcase our innovations and build long term business relations in the market."

"Kewpie will be showcasing several key products, especially our mayonnaise, flavored mayonnaise and dressings with a strong focus on fast, easy and versatile. This makes it perfect for a wide range of applications for F&B industry. We want to take this opportunity to highlight that this year is the 100th anniversary of Kewpie Mayonnaise."

NIA Thailand

"As Thailand's leading driver of innovation under the Ministry of Higher Education, Science, Research and Innovation, the National Innovation Agency (Public Organization) plays a pivotal role in shaping a sustainable, innovation led economy. At FDM2025, NIA showcases its mission to strengthen Thailand's innovation ecosystem, empowering businesses through access to infrastructure, skills development, and strategic innovation support."

The Fisheries Development Authority of Malaysia (LKIM)

"LKIM is a government agency under the Ministry of Agriculture and Food Security, established under the Malaysia Fisheries Development Board Act 1971. At FDM2025, LKIM continues its commitment to improving socio-economic outcomes for fishermen and shaping a resilient, innovative seafood industry for Malaysia's future."

MALAYSIAN COCOA BOARD (MCB) is a federal statutory agency under the Ministry of Plantation and Commodities. We strive to develop the Malaysian cocoa industry to be well integrated and competitive in the global market.

Moutai

Where cloud-crowned Guizhou guards her golden veins,
At the seven-and-twenty latitude's embrace,
A thousand years' arcane craft sustains,
By Vermilion Stream's celestial bath it's graced.
Time-honed cellars breathe ambrosial tides,
Sunlit amber in jade vessels hides,
Awaiting destined souls beyond the skies—
To unveil cosmos where the elixir resides.

**GUIZHOU, CHINA
LOCATED IN HALL 2**

International Pavilions

China

Explore one of the world's largest food producers at FDM2025 China pavilion, showcasing a wide range of authentic products and modern food innovations. From **traditional ingredients like noodles, sauces, and teas** to large scale manufacturing solutions, China offers vast sourcing opportunities and export ready products for global markets.

South Korea

Meet leading South Korean food exporters and discover the latest trends in Asian gastronomy, including **premium fermented foods, health-based snacks, and ready-to-eat meals**. The South Korea pavilion highlights the nation's growing influence in global food innovation, backed by advanced packaging and production technologies.

Poland

Poland's pavilion presents high quality European food products known for their authenticity and compliance with EU standards. Explore **offerings from dairy, meat, bakery, and preserved food sectors**, ideal for importers, retailers, and distributors seeking premium and traceable European goods.

Thailand

Recognised globally for its strong food export industry, Thailand brings an impressive array of products including **processed foods, condiments, and beverages**. The Thai pavilion offers access to export ready brands and suppliers focused on quality, innovation, and halal-certified production.

India

India's pavilion is a hub for buyers looking for diverse sourcing options from **spices, rice, and pulses to ready-to-eat and frozen food products**. Engage with top manufacturers and exporters delivering high-demand goods tailored for international retail, wholesale, and foodservice channels.

Türkiye

Türkiye offers a strong agricultural and food manufacturing base with a wide portfolio of exportable products such as **olive oil, dried fruits, snacks, and confectionery**. The Turkish pavilion connects global buyers to suppliers with a reputation for quality, tradition, and value-added offerings.

USA

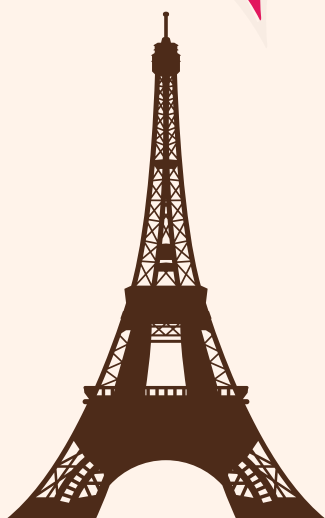

Discover premium grade products from one of the world's top agricultural exporters. The USA pavilion features suppliers specializing in **functional foods, organic ingredients, plant based innovations, and gourmet products tailored for retail, HORECA, and manufacturing sectors**.

Pakistan

Pakistan presents a strong portfolio of niche, high value food exports including premium **basmati rice, mineral-rich Himalayan salt**, and a wide variety of **confectionery products**. With a growing reputation for quality and compliance with international standards, Pakistan's offerings are well suited for global markets

Background Of

FISHERIES DEVELOPMENT AUTHORITY OF MALAYSIA (LKIM)

Fisheries Development Authority of Malaysia (LKIM) is an authorized body under the Ministry of Agriculture and Food Security that was incorporated under Act 49, Malaysia Fisheries Development Board Act 1971. This act took effect on all states within Peninsular Malaysia on November 1st 1971; in Sarawak on July 1st 1973; and in Sabah on August 1st 1995.

VISION

- Pioneer in National Fishermen and Fisheries Industry Development.

MISSION

- Creating a developed, independent and progressive fishermen community
- Increase production and ensure the national fish supply is sufficient and complying with standards
- Provide modern and integrated fishery infrastructure facilities
- Create competent human resources.

OBJECTIVE

- Improving the socio-economic position of fishermen with a focus on increasing income.
- Develop and advance the national fisheries industry.

FUNCTION OF FISHERIES DEVELOPMENT AUTHORITY OF MALAYSIA (LKIM)

Encourage & promote efficient and effective management of fish industry and marketing.

Establish and supervise credit facilities for fish production and ensure that these facilities are fully utilized.

Participate in fisheries enterprises and for that purpose participate in boat construction and production of fish supplies and equipment.

Encourage, intensify, facilitate and work for the economic and social progress of Fishermen's Associations.

Register, control and supervise Fishermen's Associations and provide allocations for matters related therewith.
