WELCOME MESSAGE FROM THE ORGANISER

Dear industry friends,

It is my great pleasure to welcome you to **Food & Drinks Malaysia by SIAL 2026**, taking place from **21–23 July 2026 at MITEC, Kuala Lumpur**.

Each year, this platform brings together the people and businesses that move the food and beverage industry forward. From established brands and international suppliers to emerging innovations, culinary talents, buyers, distributors and industry leaders, FDM2026 is where meaningful connections are made and new opportunities begin.

This year, our theme **Taste • Trade • Talent** reflects the spirit of the exhibition. Taste celebrates the products, flavours and ideas that define the future of food. Trade represents the business conversations, sourcing opportunities and partnerships created across the show floor. Talent recognises the chefs, baristas and young professionals who continue to raise standards and inspire the next generation.

Across three days, visitors can explore a wide range of F&B sectors, international pavilions and curated industry programmes. Highlights include **SIAL Innovation, Global Culinary Challenge Malaysia, ASEAN Barista Team Championship, Halal Forum, Industry Insight Tour, Business Matching Programme, Sommelier Masterclass** and more.

We are also delighted to introduce the **One Pass, Two Shows** experience, where your FDM2026 visitor pass gives you access to both **Food & Drinks Malaysia by SIAL** and the co-located **Chocolate Show 2026**. Together, these two international platforms create a broader sourcing and networking experience covering food, drinks, chocolate, cocoa, confectionery, desserts and related industries.

As Malaysia looks ahead to **Visit Malaysia 2026**, FDM2026 is proud to contribute to the country's growing role as a regional gateway for food, halal, trade and hospitality. With participation from markets across Asia and beyond, the exhibition continues to connect Malaysia with the wider global F&B community.

On behalf of Comexposium and the FDM team, we look forward to meeting you at FDM2026.

Warm regards,

Henri Tan

Exhibition Director, Southeast Asia

- Four (4) baristas per team
- Two (2) teams on stage will compete against each other simultaneously
